EBSHK once again awarded 15 Years Plus Caring Company Logo Stand together with employees, clients and community to fight pandemic

Hong Kong, February 25, 2021 — Everbright Sun Hung Kai Company Limited (“EBSHK” or the “Company”) is once again awarded the “15 Years Plus Caring Company Logo”, which affirms its continuous efforts to care for the community, employees and the environment. Under the coronavirus in 2020 in particular, EBSHK, putting employees and clients at top priority, implemented timely anti-pandemic measures and offered full support to ensure their health and safety.

The coronavirus pandemic has depressed people’s livelihood and economic activity worldwide. Cared for its employees, EBSHK implemented anti-pandemic measures in the offices and its Sheung Wan and Mongkok Wealth Management Centers, such as providing employees with medical masks and disinfection materials, optimizing the disinfection frequency of offices, arranging employees to work from home, and strengthening the IT system so that employees could manage their work and communicate with clients efficiently. Simultaneously, EBSHK offered support and care for affected employees. On the community side, EBSHK promoted fundraising activities to help local and Mainland non-profit organizations (NGOs). It supported the charitable event “Fight Coronavirus Together” organized by Hong Kong Jining Association by donating disinfection materials to people in need. The Company also participated in its working partner Nasdaq’s anti-pandemic campaign held at Nasdaq Tower in Times Square, New York in May last year, which cheered the work of frontline medical staff and behind-the-scene heroes around the world in the fight against coronavirus. Further, EBSHK prepared comparative analysis on different insurance products with pandemic coverage immediately in the early stage of the local outbreak, meeting client needs to combat the disease with peace of mind.

EBSHK is committed to be a good corporate citizen. In addition to cooperating with NGOs, EBSHK supports underprivileged communities to help build an inclusive society as well as actively carries out long-term environmental stewardship programs to save energy and improve energy efficiency. The Caring Company Scheme, launched by the Hong Kong Council of Social Service in 2002, is a community-wide program that aims to cultivate good corporate citizenship.
