

EBSHK School of Business Scholarship nurtures Macau's business and financial talent

Hong Kong, December 3, 2020 – Everbright Sun Hung Kai Company Limited (“Everbright Sun Hung Kai”, “EBSHK” or the “Company”) focuses on creating wealth for investors, while also building human capital for the community. The 2019/2020 “Everbright Sun Hung Kai School of Business Scholarships” of the University of Macau (“UM”) has recently completed the selection of scholarship recipients, and the scholarships go to Sui Yan Tong and Yao Ming Xuan, majoring in accounting and finance respectively. Miss Sui and Miss Yao each is awarded a MOP\$10,000 scholarship for their excellence in both morals and studies. The award ceremony was held on November 11, 2020 at the UM Theater of the Student Activity Center.

Having served Macau's financial industry for 30 years, Everbright Sun Hung Kai is committed to providing diversified products and services to investors in Macau, and believes that its financial industry has to be driven by a strong talent pipeline to flourish continually. The Company has established “EBSHK School of Business Scholarships” at the UM since 2009 for the university's full-time bachelor's degree students who major in accounting or finance and who are outstanding academically and morally. The scholarship from EBSHK can encourage students to unleash their full potential and achieve ambitious goals, and at the same time cultivate talent for the business and financial industries in Macau and the Greater Bay Area.

The “Opinions on Financial Support for the Development of the Guangdong-Hong Kong-Macao Greater Bay Area” issued in May 2020 points out that the integration of the financial industries of the three places will be accelerated, providing new opportunities for the moderately diversified economy of Macau and the development of the financial industry in the city. In recent years, the UM has been expanding interaction and cooperation with Mainland and overseas universities. Everbright Sun Hung Kai will continue to assist Macau in cultivating financial and commercial talent to support the region's financial and education, promoting Macau's competitiveness in the financial industry in the Greater Bay Area.
