Everbright Securities International Obtains Awards for Green and Energy Saving Initiatives

Hong Kong, July 22, 2024 – China Everbright Securities International Limited ("Everbright Securities International", "EBSI" or the "Company") is consistently committed to promoting environmental protection and energy saving in its offices to facilitate sustainable development, as well as raising colleagues' awareness in corresponding areas. Recently, the Company's consistent efforts in waste reduction, energy saving, and indoor air quality management have been recognized via multiple accolades again, marking repeated success.

Wastewi\$e and Energywi\$e Certificates by the Hong Kong Green Organisation Certification

EBSI won the Wastewi\$e Certificate by the Hong Kong Green Organisation Certification for the fourth consecutive time and the Energywi\$e Certificate for the third consecutive time, with the Energywi\$e Certificate upgraded to "Good Level" in 2022. EBSI is committed to reducing waste, enhancing resource utilization in its daily operations, and implementing multiple energy saving initiatives, significantly improving energy efficiency and environmental performance.

Excellent and Good Class Indoor Air Quality Certificates by the Environmental Protection Department (EPD)

The Company's office has been acknowledged as "Excellent Class" and "Good Class" for three consecutive times under the EPD's Indoor Air Quality Certification Scheme. The Company firmly believes that high-quality indoor air significantly benefits people's health and comfort. Therefore, it has consistently adopted effective indoor air quality management measures to provide a safe and

high-quality workplace for its people.

In addition, EBSI has received environmental protection and energy saving awards in recent years as follows:

- "Energy Saving Charter" by the Environment and Ecology Bureau and the Electrical and Mechanical Services Department for seven consecutive years;
- "4T Charter" by the Environment and Ecology Bureau and the Electrical and Mechanical Services Department for seven consecutive years;
- "Hong Kong Green Organisation" by the Hong Kong Green Organisation Certification;
- Platinum Award of "Charter on External Lighting" by the Environment and Ecology Bureau;
