“Manpower Developer”**

Non-stop giving back to the society

EBSI was among the first batch of financial institutions to be awarded the “20 Years Plus Caring Company” Logo. In January 2023, the Company collaborated with Fu Hong Society again to hold the “Flag Day” in its offices. Together with the corporate donation, the proceeds are used to support Fu Hong Society’s self-financed services. To support social enterprises in creating vocational training and employment opportunities, EBSI also purchased “Madam Hong’s Bakery” cookies made by Ngai Shing workshop of Fu Hong Society for corporate events.

Integrated support for employee well-being and career development

Knowing that talent is valuable asset, the Company strives to create an ideal work environment for its employees. As a result, EBSI has been recognized as a “Happy Company” for five consecutive years and awarded the “Happy Company 5 Years+” logo for the first time, acknowledging EBSI’s efforts in fostering a friendly and harmonious work atmosphere and promoting solidarity among its employees. Additionally, EBSI has been recognized as a “Manpower Developer” for the third consecutive time, a testament to its investment in nurturing talent. Despite the challenges posed by the pandemic, EBSI organized over 160 training courses related to financial services, compliance and personal development last year to empower employees to advance their careers.

EBSI will continue to fulfill its corporate social responsibility by promoting a caring culture at all levels of the Company and society. At the same time, it maintains a pleasant, supportive work environment, as well as continuously strengthens its training and development programs, facilitating all-round growth of its employees.
