**Everbright Securities International wins Best “Securities Investment Service” Award
by *Sing Tao Daily* for the 12th straight year**

Market facilitator despite market volatility

Hong Kong, April 3, 2023 – China Everbright Securities International Company Limited (“Everbright Securities International”, “EBSI” or the “Company”) is pleased to announce that the Company won the Best “Securities Investment Service” Award for the 12th consecutive year at the Sing Tao Service Awards 2022 organized by *Sing Tao Daily*. Continuously innovating and optimizing its investment and wealth management services to keep abreast of the times, the Company has been recognized by the Awards since 2011, demonstrating EBSI’s longstanding reputation for its professional and differentiated offerings.

As a leading provider of wealth management products and services, Everbright Securities International has been constantly upgrading its product platform and services by its “Customer Focus” principle. The Company’s diversified product platform is comparable to that of private banks, covering securities, mutual funds, bonds, insurance, structured products and forex, etc. To satisfy customers’ changing needs under varying economic environments, EBSI continues to grow its product range and quantities that include more than 1,700 mutual funds, and over 1,000 bonds and certificates of deposit, along with alternative investments such as wines, trusts and overseas real estates.

Leveraging its more than 50 years of financial experience, EBSI proactively held talks with product issuers during the turbulent times in 2022 to expedite upstream and downstream collaboration for the development of products that suit the then investment appetite and goals of the Company’s clients. Even under volatile market conditions, the Company actively explored hidden gem opportunities to help clients weather the downturn in asset prices caused by excessive risk aversion and high inflation.

EBSI Wealth, the Company’s business brand, has about 400 experienced Wealth Managers who provide customers with professional consultation and dedicated wealth management services. With its lower consultant-to-client ratio than general banks, EBSI’s all-round and attentive services are recognized by long-time clients. To ensure the service quality and professional knowledge of its staff are at high levels consistently, the Company invests significant resources in talent development including organizing more than 120 diverse training sessions in 2022, spanning products, market information, legal and compliance, professional ethics and interpersonal skills, among other topics.

Everbright Securities International is committed to providing investors with efficient, convenient and intelligent top-notch financial services. It will continue to utilize its international perspective to gain advanced insights of potential opportunities. On the back of deepening synergies with Everbright Group, EBSI will maximize its competitive advantages offshore and expand its asset management scale, reinforcing its position as a leading financial services institution.
